On behalf of the Commissioners, Staff and Firefighters of Whatcom County Fire District No.7 I would like to thank the voters in the recent primary election for their show of support for Fire Prop. 3. With very few votes left to count, the measure has passed with over a 70% approval vote.

The passage of this measure will help maintain the level of service that our citizens have come to expect from the Fire District and will ensure that updated equipment arrives at each emergency for many years to come.

It is with great pride that we serve this outstanding community. Our paid and unpaid professionals believe in our tagline "Partners with our Community". You have shown confidence in us by passage of the measure and we will work diligently to make sure that every dollar is spent responsibly and on point.

Again, I want to pass along a huge thank you from all of us at Fire District 7.
